## Three New Stanley®-Bostitch® Nailer/Compressor Combo Kits Provide Everything Pros & DIY'ers Need To Plug & Play

September 29, 2008 – Oakville, ON – Stanley-Bostitch recently introduced three nailer/compressor combo kits to the Canadian market. The new line-up includes three different finish/trim kits, a single roofing combo kit, and a single kit for framing applications. Director of Product Development Gary Blanchette said, "These new combo kits from Stanley-Bostitch offer exceptional value without any compromises. End-users can expect the same award-winning quality that earned Stanley-Bostitch its reputation as the preferred brand among professionals."

### **CPACK1850BN Brad Nailer Combo Kit:**

The Stanley®-Bostitch® CPACK1850BN is a *one-tool* brad nailer kit that includes a 2" 18 gauge brad nailer (model SB1850BN); a 2 horsepower (peak) 6-gallon oil-free compressor (model CAP2000P-OF); 1,000-pack of 2" brad nails; 1/4" x 40' PVC air hose, plastic carrying case; and owner's manual. Available in construction supply channels in October, **the CPACK1850BN is expected to sell for approximately \$229.**
