## Milwaukee Introduces New M18 Work Light

MILWAUKEE, WI – Milwaukee Electric Tool Corporation introduces the new M18 Work Light designed to increase productivity in a compact, lightweight package.

The 49-24-0171 utilizes both the 18V Compact LITHIUM-ION battery and the 18V XC High Capacity LITHIUM-ION battery to provide longer run-time. It features a Xenon incandescent bulb to maximize brightness over work areas, a convenient fold-away utility hook for hands-free use, and is backed by Milwaukee's 5-year tool warranty.

### Key Features

- Ergonomic, compact, and lightweight design for operator comfort
- Fold-away utility hook
- 135° rotating head

### Specs

- Xenon incandescent bulb
